EXPERIENCE

Django Developer Dec 2023 - APR 2024
X-byte Technolabs Private Limited *Ahmedabad, Gujarat*

- Developing web applications using Django framework.
- Writing efficient, reusable, and scalable code.
- Collaborating with the team to design and implement features.
- Testing and debugging code to ensure functionality.
- Optimizing application performance.

PROJECTS

Price Tracking Next.js Application. Developed a price tracking web application using Next.js, allowing users to add product links, scrape data, and receive daily email alerts about price changes.

Ecomm X-Scraper Tool. Developed an automated data scraping tool for e-commerce and food platforms during internship. The tool utilizes keyword, URL, and ASIN scraping methods, offering users the option to upload files for extraction.

Instacop Social Networking Platform. Developed a social networking platform enabling users to share thoughts, connect with others, and engage in conversations.

CERTIFICATES

- Developing Web Applications using ASP.NET Core MVC. 2022
- Cisco Cybersecurity Essentials. 2022
- Cisco Introduction to Cybersecurity. 2019
